IMBALLO

I mobili sono spediti montati su una o più palette; all'interno di ciascuna pedana le unità sono imballate in colli singoli protetti con angolari, polistirolo, cartone e termoretraibile.

Il pallet viene poi fissato con estensibile e reggette per un trasporto sicuro.

CONDIZIONI GENERALI DI VENDITA

UNIFORMITÀ DEL PRODOTTO. La luce, i vapori ed altri fattori caratteristici dell'ambiente cucina possono determinare variabilità di colore tali da non permettere il perfetto accoppiamento di elementi acquisiti in tempi diversi.

Tali differenze, qualora si verificassero, tendono comunque ad attenuarsi nel tempo e non possono costituire oggetto di contestazione e di resa del prodotto.

GARANZIA

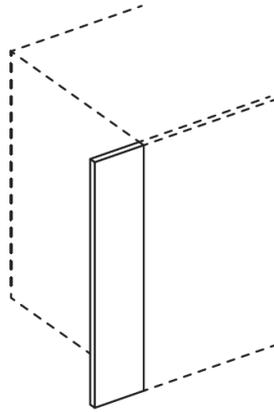

È limitata ai prodotti ed esclude ogni responsabilità negli altri casi come: cattiva o errata installazione, umidità, danni causati da irregolare collocamento e funzionamento di impianti elettrici, gas e idraulici; difetti e danni causati da elettrodomestici per i quali il committente farà valere i certificati di garanzia delle case costruttrici.

PACKAGING

The furniture is shipped assembled on one or more pallets; inside each platform, the units are packaged in individual packages protected with corner pieces, polystyrene, cardboard and shrink wrap.

The pallet is then secured with stretchable and strapping for safe transportation.

GENERAL CONDITIONS OF SALE

PRODUCT UNIFORMITY. Light, vapors and other characteristic factors of the kitchen environment can cause color variability such as not to allow the perfect coupling of elements acquired at different times.

Such differences, should they occur, however, tend to diminish over time and cannot be the subject of dispute and product return.

WARRANTY

It is limited to products manufactured entirely by Astra cucine srl which declines all responsibility in other cases such as: bad or incorrect installation, humidity, damage caused by irregular placement and operation of electrical, gas and plumbing systems; defects and damage caused by household appliances for which the customer will enforce the warranty certificates of the manufacturers.
